

CANCUN DECLARATION

GLOBAL NETWORK ON ELECTORAL JUSTICE

3rd and 4th of December of 2018

The participants of the Second Plenary Assembly of the Global Network on Electoral Justice, held in Cancun on the 3rd and 4th of December 2018, partook in Plenary Sessions and Working Group Sessions in which the following was agreed:

1. Reaffirm the aim of the Global Network on Electoral Justice as an international forum that brings together members of the world's Electoral Courts, Tribunals and Judicial Bodies and that can also include the active participation of international bodies, civil society organizations, academic institutions and experts in elections and electoral justice.
2. Highlight the objectives of the Global Network on Electoral Justice:
 - i. Facilitate the exchange of jurisdictional electoral information and cooperation among all members and partners of the Network.
 - ii. Identify and exchange best practices for the excellence of the Courts, Tribunals and Electoral Judicial Bodies of the world.
3. Recognize that there are challenges to democracies, such as democratic disaffection, the use of new technologies, and equal access to equal political participation.
4. The exchange of best practices makes it possible to find common solutions to these challenges. To this end, the participants of the Second Plenary Assembly are invited to participate periodically and actively in the technological Platform of the Global Network on Electoral Justice.
